

'Under the leadership of the Prime Minister, the Government of India is fully prepared to deal with possible storms.'

Union Minister Dharmendra Pradhan tweeted that the Indian government, led by the Prime Minister, was fully prepared for the possible storm. He added that the preparatory review meeting, chaired by the Prime Minister, focused on the safe evacuation of people from the affected areas, including Odisha.

"All the ministries and agencies are working together to deal with the storm," he said. "Everywhere you look today, the tide of protectionist sentiment is flowing.

I urge the brothers and sisters of Odisha to respond to the warnings issued by the administration and to cope with the storm with patience and courage in the event of a natural disaster. It is a prayer to Lord Shree Gannath that no one should be harmed by the effects of Jawad.
